Our thoughts and prayers are with the victims and the families during the COVID 19 pandemic. Many of our community members are suffering dearly physically and financially as being out of work especially new immigrant families and students.

As you all know BAH "Zee Memorial Fund" has been serving the community for the past 20 years. ZFM has been helping community members with burial services, baby food, groceries, and temporary housing. Therefore, the BAH board and BAC committee members unanimously approved to disburse \$3000 of ZMF immediately to affected community members divided equally to 15 families as a first come first serve basis. BAH had learned that during these crises, the first and foremost need is to purchase emergency goods. Therefore, anybody needs help or anyone you know need help, please apply for immediate emergency relief fund by filling out ZMF form or by calling any BAH board members listed below. For forms, click on link: [http://www.bangladesh-association.com/files/ZMF\\_Application\\_v2012-1.pdf](http://www.bangladesh-association.com/files/ZMF_Application_v2012-1.pdf)

In addition, BAH ZFM set a goal to raise an additional \$10,000 to help the COVID 19 victims and the families. BAH assures every penny raised will be donated immediately to the COVID 19 families and victims.

Time is hard and we all are suffering the economic and personal crises, but there are people who are suffering much more than us. Please help us raise an additional \$10,000.
